

## Bridal Party Agreement

All bridal parties must complete a Wedding Consultation Form and have a signed Bridal Party Agreement to reserve their date. Traveling parties are required to provide half of the overall cost of their party's total bill as a down payment to reserve their party's date. Down payment for wedding parties may be paid with cash, personal check, or credit card (Visa, Master Card, Discover, American Express) and is non-refundable. All parties are required to provide a credit card on file.

Any cancellations must be made 30 days prior to your reservation date. Cancellations made after your party's 30 day grace period will be charged in full for their services. If members of your party have reserved appointments and do not arrive, their services will be charged to the credit card on file. If a complimentary pre-wedding up style is given to the bride that cancels, the bride will be charged for the cost of their up style.

I, \_\_\_\_\_ understand and agree to the terms stated above.
